The Three Pillars of Connection

Immerse

Finding peace in nature. Reconnecting through the quiet awe of crystal springs and panoramic heights.

Savour

Tasting the Hill Country. Sharing intimate culinary moments, from award-winning vineyards to warm, inviting local dining.

Wander

Exploring local charm. Giving yourselves over to unstructured time through artisan shops and scenic trails.

Pillar I: Immerse — The Natural Springs

Jacob’s Well

Vibe: Deep, mysterious, and tranquil.

The Experience: Best enjoyed in the serene early mornings. A picture-perfect plunge into pristine waters, followed by quiet walks on scenic trails.

Blue Hole Regional Park

Vibe: Shaded, peaceful, and idyllic.

The Experience: The ultimate setting for a romantic afternoon picnic, a quiet swim, and leisurely strolls along the shaded walking paths.

Pillar I: Immerse — The Heights

Stargazing at Old Baldy Park.

A short, quiet climb up 218 steps leads you to a 360-degree panoramic view of the Texas Hill Country. Situated right in the heart of Wimberley, this secluded overlook is the ultimate destination for sharing a serene sunset or private stargazing far above the tree line.

Pillar II: Savour — Wine & Dine

The Afternoon

Sip

Explore family-owned vineyards. Wimberley Valley Winery offers award-winning pours and picturesque vineyard views, while Driftwood Estate Winery provides breathtaking sunsets in a relaxed, elevated atmosphere.

The Evening

Taste

Conclude the day at The Leaning Pear. A warm, inviting architectural space offering a menu designed for sharing—featuring rich charcuterie boards, expertly prepared duck, and delectable pastries.

Pillar III: Wander — Unstructured Time

The Town Square

Lose track of time wandering through charming art galleries and artisan shops. Discover unique local paintings, handcrafted pottery, and fine jewellery.

The Trails

Experience the landscape together on a private horseback ride. Local ranches offer intimate, guided adventures across the gentle hills, ensuring absolute privacy and unforgettable memories.
